

Northwest Barrel Horse Association

District 06

Sponsorship Packet

Our mission is to promote and grow the sport of barrel racing in Washington by providing a positive, friendly atmosphere focused on courtesy, integrity, and true sportsmanship, where barrel racers of all ages & abilities are welcomed. Through education and example, NWBHA District 06 will encourage personal growth for the barrel racer, proper care and respect for our equine partner, the barrel horse, while honoring the centuries old western tradition of excellence in equine sports.

Dear Potential Sponsor,

Have you been looking for a fun, creative way to market your business? Do I have a cool opportunity for you!

A buckle or saddle sponsor is more than just writing a check. It's providing something incredibly special to the talented competitors who dream of winning one. Your company name/logo will be eternalized on the buckle or saddle with endless opportunities for it to be seen (there are tons of barrel races per week). With your sponsorship, you not only provide a physical item, but you're also giving that competitor something they will cherish for a lifetime!

So, what's in it for you? Well, all levels of sponsorship are tax deductible, and you will be entitled to sponsorship of your business in a variety of ways such as at the barrel races and/or our website just to name a few. Plus, our loyal members are encouraged to support our sponsors by choosing them when deciding who to do their business with. When you become a sponsor for Northwest Barrel Horse Association District 06, you are supporting a family focused organization which you can be proud to be affiliated with.

If you're interested in becoming a buckle or saddle sponsor - or offering any level of sponsorship, please contact us today. We cannot wait to have you on board!

Yours Truly,
